Rental Stage Set

The Boardroom

- An extension of YWW's Magnificent Module set, The Boardroom is the choice when elegance is the goal. Cherry panels on black frames are capped with perforated metal columns for a warm, professional style.
- Don't be fooled! This set is highly modular and can be configured in an infinite variety of ways for any situation.
- Incorporate a projection screen (using a hard screen surround) or a couple plasma monitors for I-Mag and presentations.
- Brand your set with a printed banner, or go extra fancy with graphics on acrylic, brushed aluminum, or classy wood to round out the look and make sure the set helps deliver your message.
- Sets up in a few hours with a small crew and comes down even faster. Ships in road cases, making it economical anywhere.
- Completely scaleable for any ballroom, break-out session, trade show floor--the possibilities are endless!
